

Riga,  
January 26, 2024

To whom it may concern,

On behalf of SIA NEPCON/ Preferredbynature I hereby inform SBP assessment verification had been conducted for "R GRUPA" Ltd. (registration nr. 50003603631; legal address " Kārļa Ulmaņa gatve 119, LV-2167, Mārupes novads., Latvia).

The scope of the SBP certificate includes production of SBP-Compliant biomass from primary feedstock – roundwood, chips produced from logging residues, chips produced from trees outside forest (from non-forest lands) from Latvia as well as secondary feedstock (chips produced from sawmill co-products) from Latvia. The assessment audit fieldwork has been successfully completed on January 24, 2024 and currently is in reporting review and approval process, including SBP peer review.

Please do not hesitate to contact [gkarss@preferredbynature.org](mailto:gkarss@preferredbynature.org), [opuiso@preferredbynature.org](mailto:opuiso@preferredbynature.org) in case of any further questions.

Regards
